2014-2017 models:
Let the DPF decide

Specifically for earlier Iveco Euro VI models, a single OE reference may cover more than one silencer variant.

5801448219, 5801429216,
5801866445, 5801419950

The quickest way to identify the right one, is to measure the length of the DPF.
